Heartburn Remedies

Heartburn Remedies is estimated to be a multi \$ billion a year industry, and is ever evolving. There are hundreds of **Micro Niche Markets** and thousands of related keywords within the Heartburn Remedies. This makes Heartburn Remedies a perfect niche for affiliate marketers.

Description: Heartburn is an uncomfortable but common feeling of burning or warmth in the chest. Although the pain of heartburn is felt in the chest, heartburn has nothing to do with your heart. Instead, heartburn is caused by stomach acid. There are several prescription medicines and over-the-counter remedies available for the treatment of long-term or serious heartburn or acid reflux. But there is also several home remedies right in the kitchen that can fight the fire of heartburn. People who suffer from heartburn will do almost anything to cool the flames and avoiding heartburn flare-ups making this a lucrative niche for affiliate marketers.
