

## Macro Niche Report:

# Bad Breath

Bad Breath is estimated to be a \$7.8 million a year industry and is steadily rising with the constant release of new and unique products. There are hundreds of **Micro Niche Markets** and thousands of related keywords within the Bad Breath. This makes Bad Breath a perfect niche for affiliate marketers.

**Description:** Bad breath, or halitosis, is a term used to describe noticeably unpleasant odors exhaled in breathing and can have a significant impact — personally and socially — on those who suffer from it. In most cases bad breath originates in the mouth itself but can be caused from eating certain foods, smoking, alcohol consumption, or can even be linked to some major health issues. With a variety of ways to control bad breath, including toothpastes, flosses, brushes, mouthwash, gums and candies, and even specialized medicines, this is a VERY marketable niche for eager affiliates!
