# Dreamstime

<http://www.dreamstime.com>

Here is the relevant portion of the Dreamstime Terms of Service (TOS) that applies to using images in eBooks:

*"The high-resolution images that you download under the regular Royalty Free (RF) license may be used to make fine art prints, on a web site, in a magazine, newspaper, **book or booklet, book cover, flyer, application software (apps) or any other advertising and promotional material, in either printed or electronic media, as long as the item in which the image appears does not contradict any of the restrictions below.**"*

Full license TOS is here:

<http://www.dreamstime.com/aboutimages>

Cost: As low as 20 cents to as high as \$16 per image for highest resolution. Users can purchase image credits or if you need a lot of images purchase a subscription. See <http://www.dreamstime.com/aboutimages> for detailed pricing information.

# iStockphoto

<http://www.istockphoto.com/>

Here is the relevant portion of the iStockphoto Terms of Service (TOS) that applies to using images in eBooks:

*"istock--Permitted Uses. Subject to the restrictions described under Prohibited Uses below, the following are "Permitted Uses" of Content:*

*advertising and promotional projects, including printed materials, product packaging, presentations, film and video presentations, commercials, catalogues, brochures, promotional greeting cards and promotional postcards (ie. not for resale or license); **entertainment applications, such as books and book covers**, magazines, newspapers, editorials, newsletters, and video, broadcast and theatrical presentations; on-line or electronic publications, including web pages to a maximum of 1200 x 800 pixels for image or illustration Content or to a maximum of 640x480 for video Content; prints, posters (i.e. a hardcopy) and other reproductions for personal use or promotional purposes specified in (1) above, but not for resale, license or other distribution; and any other uses approved in writing by iStockphoto."*

Full license TOS is here:

<http://www.istockphoto.com/license.php>

Cost: Purchase credits then use the credits to purchase images. For example, you can purchase 12 credits for \$20. The number of credits required per image ranges from one to fifteen for regular images. Users can also purchase a subscription at a reduced cost per credit. See <http://www.istockphoto.com/help/buy-credits> for detailed pricing information.
